

Electrical Parts for Forklifts

Electrical Parts for Forklifts - Lift trucks may be specifically marked to be used in dangerous locations. A marked truck indicates the design has met the least requirements of ANSI/UL 558 intended for engine powered lift trucks or ANSI/UL 583 for electric lift trucks for the type of label attached.

Applications for labeled lift trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Areas of Use, Maintenance and Operation, and Type Designations. Consult your local insurance carrier and Fire Marshall for additional information on the approved uses of industrial powered trucks in your application.

If the forklift has been found to satisfy the outlined criteria, the following labels could be placed. A labeled truck would have the type designation placed on the lift truck nameplate and will have one of the following labels put.
